Alcohol Beverages

Alcohol is prohibited; no person shall dispense alcohol, consume alcohol or possess an alcoholic beverage container on the premises of an Internet Café.

Minors

Operators and permittees shall not permit minors to enter within an Internet Café or to remain in its parking area. Permittees shall post a conspicuous notice at all public entrances to the premises stating that minors are not allowed on the premises.

Right of Entry

Agents and employees of the City of Belleview, including but not limited to the Development Services Director or designee and officers of the City of Belleview Police Department and their agents, shall have the right to enter and inspect the public spaces of the premises at any time to ensure compliance with the provisions of this chapter or any other ordinances within their authority.

Site Plan Requirements

Most business locations are not equipped internally and may not have adequate parking to accommodate an Internet Café. Therefore, a review by the Site Plan Committee may be required. A pre-application meeting is free of charge and will assist business owners with questions regarding Site Plan requirements.

Acknowledgment

The applicant agrees to comply with the Municipal Ordinances and with the conditions of this permit; understands that the issuance of the permit created no legal liability, express or implied, of the Department, Municipality, Agency, or inspector; and certifies that all the above information is accurate.
