FOR IMMEDIATE RELEASE

Mayor's Christmas Decorating Contest: Light Up Belleview now until December 21st

Belleview, FL – It's time to deck the halls, hang the lights, and let your creativity shine! The City of Belleview is thrilled to announce the Mayor's Christmas Decorating Contest, a tradition bringing joy, light, and holiday spirit to our community.

If you love transforming your home into a winter wonderland, this is your chance to share that magic with your neighbors—and maybe win a prize while you're at it! Residents within Belleview city limits are invited to participate by decorating their property for the season. Mayor Christine Dobkowski will personally tour the city between December 21 and December 23 to select four standout winners. Each winner will receive a certificate of recognition and a gift card as a token of appreciation for their effort and holiday cheer.

"There's something so special about this time of year, and the decorations people put up truly create a sense of wonder," said Mayor Dobkowski. "Seeing Belleview come alive with twinkling lights and creative displays warms my heart and reminds us all of the joy and togetherness that the holiday season represents. I encourage everyone to participate—whether you go all-out with an elaborate display or keep it simple and elegant, every effort adds to the magic of the season!"

No registration is required to participate—just ensure your display is lit and ready for viewing by the evening of December 21. All properties within the city limits will be eligible for consideration, and winners will be announced after the tour.

"This contest is about more than just decorations—it's about celebrating the spirit of community and the joy of the holidays," said Robert Vass, Events and Promotions Manager. "Every light strung and every decoration hung helps make Belleview brighter and more welcoming during this special time of year. We're excited to see the amazing creativity of our residents and the impact it has on everyone who drives through our city."

Get your garlands, lights, and holiday spirit ready, Belleview! Let's make this year's contest the brightest and most festive yet. Whether you're new to decorating or a seasoned pro, your contribution will help create a holiday experience the whole community can enjoy.
